MOHAMMAD KAIF ALI ANSARI

Jamshedpur, Jharkhand | +91 8797740415 | kaifi3110@gmail.com

PROFESSIONAL SUMMARY

Computer Science undergraduate and aspiring Software Engineer with a foundation in Java, Data Structures & Algorithms, DBMS, SQL, Python, and web development. Built a full-stack food donation management project and completed learning programs in Generative AI, data analytics, and open-source engineering. Eager to apply problem-solving skills and keep building practical software solutions.

EDUCATION

B.Tech, Computer Science & Engineering | Jamia Hamdard, New Delhi — Expected 2027
CGPA: 8.0

Class XII | Church School, Beldih — 2023 | 80%

Class X | Church School, Beldih — 2021 | 85%

INTERNSHIP

Data Analytics Intern | Edunet Foundation — VOIS for Tech Program | Aug 2026 – Present

- Selected for a 4-week, project-based internship focused on data analytics.
- Working with Python, data visualization, and dataset analysis across HR, agriculture, and business/operations datasets.
- Developing an independent analytics project under mentor guidance and participating in technical learning sessions.

PROJECTS

Food Bridge — Food Donation Management System

- Developed a full-stack platform connecting food donors with NGOs to support food donation coordination.
- Implemented role-based dashboards, notifications, and ratings to support user interaction and platform usability.

Tech Stack: HTML, CSS, JavaScript, Node.js, Express.js, MySQL

TECHNICAL SKILLS

Programming: Java, C, Python | **Core CS:** Data Structures & Algorithms, DBMS, Operating Systems

Web & Data: HTML, CSS, JavaScript, Node.js, Express.js, SQL

Interpersonal: Problem Solving, Teamwork & Collaboration, Communication, Analytical Thinking

Strengths: Self-Motivated, Fast Learner, Disciplined, Passion for Software Development

CERTIFICATIONS & PARTICIPATIONS

• **Generative AI — Tutedude:** Hands-on learning in AI fundamentals, prompt engineering, LLMs, and practical AI applications.

• **GenAI-Powered Data Analytics Job Simulation — Forage:** Practical tasks in exploratory data analysis, AI-driven risk profiling, predictive analytics, and business data storytelling.

• **Microsoft Learn Student Ambassador — Hacktoberfest: Open Source and Engineers:** Exposure to open-source collaboration and software engineering practices.

• **HP LIFE (HP Foundation) — Data Science & Analytics:** Foundational learning in data science, analytics methodologies, and data-driven business approaches.

ACHIEVEMENTS & ADDITIONAL DETAILS

Scholastic Achievement: Maintained a CGPA of 8.0 in B.Tech CSE at Jamia Hamdard.

Languages: English, Hindi | **Date of Birth:** 31 October 2004
